

DORA MAR FEMALE STATUE

SKU: BGW236F

The dramatic proportions and exaggerated silhouettes of our Dora Mar Statues make them quite the distinguished pair in your home. Standing at attention, with elongated features of the male and female forms, the figures almost resemble artifacts from ancient Egypt, complete with the resplendence of a treasured find. They are each rendered in iron with a glittering and textured gold leaf, adding sumptuous shine to a desk, tabletop, or console atop their own black marble bases. Dimensions: W 3.5" x D 3.5" x H 24.5"
