

## **ELIJAH COMPOTE**

SKU: ACD166SM

The modern ceramic Elijah Compote is the versatile piece you've been looking for to complement home or event décor. Created with sustainable floral design in mind, this piece features an open foot for long stems, holds lots of water, & accommodates various floral mechanics. Featuring a glossy, off-white reactive glaze with a bit of texture, this warm toned neutral vessel offers an easy, elevated look for sweeping floral designs or the simplest potted plant.DImensions: Dia 4.5" x H 4.25"
