

TITO TALL CABINET

SKU: MRB4148

We brilliantly interpret classic marquetry patterns in a lively patchwork of positive and negative space. Open fretwork carving allows infrared light to reach remote-controlled components with the doors closed. The cabinet is set on a simple Aged Brass frame. Cutout panels in the back may be removed for cord management and a shelf at the base offers additional storage. Shown in Nimbus Grey Oak with aged mirror behind the fretwork carving for concealed storage. Dimensions: W 51" x D 20.5" x H 66.5"
