

## TIME STOOL

SKU: SLT1052

The Time Stool is a unique and dynamic piece that will add a funky visual element in a variety of spaces. The round form is created by artisans in a small family production environment, the contrasting pattern hand painted on as well. The shiny glaze is derived from a European process and is built to withstand cracking and fading even in the harshest of climates. Great for a stool at a casual dining table or side table in a living room, this fun piece is simple with an added craftsman touch. Dimensions: Dia. 15" x H 17.5"
