

WILCOTT FLOOR LAMP

SKU: TER4825FLR

The unique form of this floor lamp creates interest and intrigue. The sculptural graphite ricestone base has been shaped into an arched, open design that brings forth a dimensional quality to the space it occupies. The entire structure is fashioned to a rectangular antique brass base for additional geometric appeal. Its narrow silhouette makes it a great living room luminary. Topped with a white linen drum shade with white cotton lining and an antique brass sphere finial. The finish will vary.
