The old world sophistication and polished presence of the Paulina Large 6-Drawer make it truly hard to resist. Its silhouette embraces the expressive elegance of vintage Chinoiserie design, while its construction boasts the unmatched quality of Villa & House's contemporary craftsmanship. A marriage of organic materials, the Paulin a brings a framework of gray cerused oak together with carefully woven and lacquered jute panels, which adorn the top, sides, and collection of drawers. The unique placement of its six drawers, two smaller pairs at the top and bottom, and larger single drawers in the middle, provides a lively-looking facade along with plenty of stor age space. Gorgeous details bring the piece together, and act as a true testament to the skills of our artisans, from the gracefully flared front legs to the glittering accents of nickel appearing on its drawers and sabots. For cultured tastes and cosmopolitan spaces, this piece is a must. Dimensions: W 42.5" x D 18" x H 32.5"
