

## BLACK & WHITE ABSTRACT

SKU: SOI9012

From the archives of legendary textile artist, engraver and painter Paule Marrot (1902-1987) comes this beautiful, wide-ranging collection of digitally re-mastered prints. Working primarily from 1920-1960, her rich colors and striking geometry put her at the heart of the Art Deco movement. Influenced by Renoir and writer Marcel Proust, Marrot captured the natural world in a simple, lyrical style that makes her work as engaging and contemporary today as it was during the height of her popularity. This Wall Art is stocked in a black frame. Frames are customizable to your liking. Contact us for more options. Dimensions: W 22" x H 48"
