From the archives of legendary textile artist, engraver and painter Paule Marrot (1902-1987) comes this beautiful, wide-ranging collection of digitally re-mastered prints. Workin g primarily from 1920-1960, her rich colors and striking geometry put her at the heart of the Art Deco movement. Influenced by Renoir and writer Marcel Proust, Marrot captur ed the natural world in a simple, lyrical style that makes her work as engaging and contemporary today as it was during the height of her popularity.Dimensions: W 33" x H 28"
