SKU: FAP1005R

This refill helps prolong the life of your original dispenser and eliminates waste. Olives have been cultivated along the shores of the Mediterranean for centuries. Their oil is valued for its remarkable cosmetic qualities, and cleanses thoroughly while leaving skin's moisture barrier intact. Specially designed for use in the kitchen, Cucina Hand Soap contains extra virgin olive oil and other olive derivatives with purifying properties. This natural-source product is biodegradable and leaves skin smooth and fragrant. Delicately scented, it rinses off completely to avoid interfering with the flavour of foods. Its first cold olive oil deeply moisturizes hands dried out from frequent washing, while its olive leaf extracts stimulate the skin and help heal minor cuts and burns.
