

Dracaena Cement Planter

Short Description: 68"

SKU: AFL1098

$1,475.00

The Dracaena Cement Planter brings the look of lush greenery to interior spaces without the maintenance of a live plant. Featuring long, arching leaves with realistic color variation and natural movement, this artificial dracaena creates a fresh, organic presence in any room. The arrangement is set in a textured cement planter with a fluted design that complements a variety of décor styl es, from modern to transitional. Ideal for living rooms, entryways, offices, and corners that need greenery, this piece offers year-round beauty with no watering or upkeep. Dimensions: Dia. 68"
