The GhostBed Queen Luxe Hybrid Mattress is designed to help you fall asleep faster and stay asleep longer, thanks to advanced surface and core cooling technology that delivers instant relief and prevents overheating throughout the night. Its multi-layer construction starts with a luxurious quilted cover and continues through a supportive, cooling core, creating a balanced blend of plush comfort and responsive support.At the heart of the mattress, the ProCore Elite™ layer combines cooling gel memory foam with targeted pressure relief to promote proper spinal alignment. Individually wrapped Spirited Edge™ coils contour to your body and minimize motion transfer while reinforcing the entire perimeter for exceptional edge support and more usable sleeping surface.Standing 14 inches tall with nine layers of cooling, comfort, and support, the m attress features a quilted cover with five times the cooling power, patented Ghost Ice technology to absorb and redistribute heat, and graphite and gel-infused memory foam for enhanced temperature regulation. Proudly made in the USA with domestic and imported materials, the medium feel offers gentle contouring, a slightly bouncy core, and a plush, cooling surface.Dimensions: W 60" x D 80" x H 14"
