

Atlas Side Table

Short Description: Soft Glow Oak

SKU: BGW319SGO

\$2,450.00

The Atlas Side Table commands attention with its rounded silhouette and continuous fluted panels, is carved from oak, then stained and sealed in clear lacquer for a light sheen. The cylindrical form feels sculptural yet grounded. Antique brass pulls punctuate the façade, adding warmth against the richly grained surface. Two drawers operate smoothly on soft-close glides, which are invisibly mounted underneath, maintain the clean lines of its silhouette and provide storage. A finished back allows versatile placement of this piece throughout a room. Dimensions: W 25.25" x D 22.25" x H 32.5"
