

# Traces II

Short Description: W 45" x H 37"

SKU: SOI9016II

## $1,285.00

Traces II is a contemporary wall art piece featuring an abstract composition of layered black linear brushstrokes arranged in a flowing, curved form. The sw eeping lines create a sense of movement and rhythm, while the neutral background provides balance and contrast. Finished in a natural wood frame, the art work brings a modern, organic aesthetic that complements a wide range of interiors, from contemporary to transitional spaces.Dimensions: W 45" x H 37"
