The Chaka Petrified Cocktail Table with Legs turns ancient wood into modern magic. Each tabletop features real petrified wood with unique grains and subtle tonal shifts, in Rough Cream or Rough Black. Resin sides mimic solid stone while keeping it light and practical, and textured surfaces with rugged edges celebrate nature's artistry. Sleek black metal legs add a modern contrast, balancing raw beauty with contemporary ease. Dimensions: W 47" x D 37" x H 16"
