The Teo Buffet combines organic materials with bold, contemporary design to create a striking storage piece. Finished in Avellana Fresno and Warm Oxidized Aluminum, the buffet showcases dramatic wood grain patterns framed by richly textured metal accents. The rounded corners and clean-lined silhouette soften its substantial scale, while the integrated pulls maintain a seamless, architectural look.Behind four doors, shelving provides versatile storage for dining essentials, media components, or household items. The interplay between the natural wood movement and the warm oxidized aluminum creates depth and visual interest, making the Teo Buffet a functional centerpiece for dining rooms, living spaces, and entryways alike.Dimensions: W 79" x D 19" x H 33.5" Sustainably sourced from Mexico.
