

ADDISON DINING TABLE

SKU: MOD5000-8

Solid and stately, the Addison Dining Table uses fiber-reinforced concrete to create a modern foundation for entertaining. Its blend of granite stone powder, natural jute fibers, and Portland cement has been sealed to create a smooth surface. Over time the indoor-outdoor piece will develop a unique patina and personality, reflecting the surprising evolutionary nature of its industrial material. Also available in 6' and 7' lengths.Dimensions: W 95" x D 47" x H 30"
