

V. Black Tree

Short Description: Grey

SKU: HNR4002

$325.00

Every Henry Dean object is created out of mouth blown and handmade glass. The use of a wooden mold is a very primitive technique to create glass objects and m ust be performed by the skilled hands of real artisans. Each time this mold is used, it burns out a little bit, thus giving each object its unique, handmade character.

Dimensions: Dia. 8.5" x H 8"
