

## SELENITE FIVE TEALIGHT LOG

**SKU: ROO1114** 

Bring the beauty of natural minerals into your decor with this substantial piece of selenite. This large gemstone reveals impressive crystal formations in a gradient of milky white to crystal clear. This piece has five places to hold tealight candles and sets the stage for a soft and gleaning atmosphere. Dimensions and colors will vary due to each piece being an exceptionally unique and natural stone. One of a kind.Dimensions: Dia. 2"-3" x W 15"
