V. Forbidden | Henry Dean When asked where he finds the inspiration for his designs, Belgian artist Henry Dean says "Once an object has been created, it's out of my hands. Modern art has also always been a big inspiration to me, art that is simple and related to nature. In the end, you make your own rules, what you like and what you don't like and that's what I systematically try to put into practice."Dimensions: Dia. 8.5" x H 8"
