

Burma Railway Throw

Short Description: White

SKU: LKS1050

$265.00

These beautiful textiles are created in Myanmar (Burma). They are woven with pure, handspun cotton, and dyed naturally using indigo, vegetable dyes, and bark from trees. Almost all the weavers are women, and each piece is handwoven on backstrap loo ms. The patterns and motifs reflect the Chin culture and the environment of the villages where they live.Dimensions will vary.
