

MID-CENTURY BURL CHEST

SKU: CRA1025

This stunning chest of drawers seeks to capture the beauty found in the striking contrasts presented in nature. The Mid-Century Burl Chest pairs two distinctly different wood grains, a burl with a loose, swirling texture and an olive ash longwood with a vivid, graphic linear pattern for a compelling juxtaposition that evokes an emotional response. Sleek, 1970's inspired trapezoidal shaping and a dark bronze metal frame give this piece a modern feel, while a stone top adds another layer of natural texture. Dimensions: W 64.5" x D 18" x H 34.5"
