Sleek styling, trapezoidal shaping and unusual materials come together to modernize this 1970's retro-inspired credenza. Its design takes its cue from the rich and diverse patterns found in nature. It's sleek yet organic, giving it a fresh unexpected feel. Finished in natural to highlight the expressive quality of the veneer, the piece is adorned with sculpted hardware and a handsome Dark Bronze met al base and stone top. The piece's four doors open up to reveal ample storage, perfect for neatly stowing away entertaining essentials or concealing electronics.Dimensions: W 80" x D 20" x H 36"
