

ANTHEA RUG

SKU: JPR0105-810

Hand-spun wool is crafted into distinctive rugs, passing through an advanced dyeing system that renders a color that looks vegetable-dyed, but is colorfast and enduring for generations to come. Traditional designs with transitional practicality headline in rich palettes that command attention. Hand-knotted mastery flows in each tuft of yarn, giving life to these brilliant and intriguing pieces.Dimensions: W 8' x H 10'
