

## NEW MEXICO CARVED CHEST

SKU: HIC1119

The hand-carved elements of this chest - pomegranate, rosette, and lion - are symbols in use since Byzantine times. The pomegranate is said to represent eternity and fertility because of their hundreds of seeds; the lions, strength, valor and courage, and the rosette, royalty. A unique aspect of this solid maple chest is in its flush top which allows grouping of multiple units. Adapted from a ceremonial chest at the Museum of New Mexico and finished in Rustic Vermillion. Dimensions W 43.5" x D 20" x H 40.25"
