

## QUAIL LAMP

SKU: TER1302

This quail egg finished lamp is artistically crafted in Portuguese porcelain. The traditional shape is accented with a spherical neck detail and is finished entirely in an earthy hue that blends into a warm ivory. In order to layer the tones and the unique splatter effect, several processes must be followed to create its organic and irregular patterns. It is topped with a tapered, microfiber shade in wren brown with a white cotton lining. Mounted on an acrylic base. Finish may vary. Dimensions: Dia. 16" x H 26.5" H Socket Type: Type A-E26 Wattage: 150 watts Switch Type: 3-Way Rotary
