

SYCAMORE SIDE TABLE

SKU: TER1305

Made with a faux bois inspiration in mind, this side table is ideal for a space that needs a little natural beauty. Though its cast from aluminum, its molded into an exaggerated woodgrain design to give it an organic sophistication. The shape is what gives it a modern update, tapered at the base and in the top with a narrowed collar that joins them together. The form alone recalls Brancusi style. The entire piece has a graphite finish, giving it that bit of mood we love. Dimensions: Dia. x 21.5" x H 24.5"
