

Temple Jar with Feathers

Short Description: White

SKU: LGA1210

$270.00

Temple jars may date back to ancient times, but they deliver an equally contemporary aesthetic when incorporated into modern design. Featuring a bulbous body, curved lines, and a sleek silhouette, these vessels -- also referred to as "ginger jars" for their original use as provision storage, and "general jars" beca use of their resemblance to ancient Chinese military hats – are go-to objects for interior decorators and homeowners.Dimensions: W 10" x D 10" x H 20"
