

FLYING BUTTRESS II CONSOLE

SKU: THA2004

One of the hobbies of the makers of the piece is racing vintage cars from the late 1950s when race cars were made of hand-hammered aluminum. Nothing compares to the thrill of competing in cars that had aerodynamic bodies. They have integrated some of those key features into The Flying Buttress Console Table. Dimensions: W 42" x D 16" x H 34"
