

SPENCER LAMP

SKU: TER3055

This lamp is the epitome of industrial refinement. Showcasing a silhouette and edginess that's characteristic of the era, it is updated with the clean lines and polished finish of a more modern design. The brushed bronze finish makes the porcelain structure look metallic, especially with the hand-etched knurling in the bands that wrap around the neck. Dimensions: Dia. 16" x H 27"
