

THE RISE OF DAVID BOWIE

SKU: TAS1125

This collection, featuring around 50 percent previously unpublished images, brings together spectacular stage shots, iconic photoshoots, as well as intimate backstage portraits. With a lenticular cover of different headshots, it celebrates Bowie's fearless experimentation and reinvention, while offering privileged access to the many facets of his personality and fame. Through the aloof and approachable, the playful and serious, the candid and the contrived, the result is a passionate tribute to a brilliant and inspirational artist whose creative vision will never be forgotten.
