

CHARLOTTE GEOMETRICS

SKU: TBG1310-2

The straight lines and retro colours in artist Charlotte Morgan's geometric collection are evocative of a different era. They conjure old maps, vintage symbols, and even classic transportation. The tones are muted, but the shapes are strikingly bold, making for a range of the most subtly balanced artworks at Trowbridge. Signed by the Artist and Limited Edition of 195.Dimensions: W 31" x H 27"
