

## THE FINE POINT II COCKTAIL TABLE

SKU: THA2501

This table embodies the essence of the S-shaped line which the British artist and philosopher William Hogarth called the "line of beauty." This line is based on the curves of the human body. Multiple curves with their undulations, peaks, and dips lead the viewer's eye on a chase. This table offers a fresh and bold new spin on the Rococo table form in two rich shades of ofram veneer. Dimensions: W 50" x D 30" x H 19.25"
