

Asian Panels II

Short Description:

SKU: SOI7020A

$995.00

Asian Panels II brings a serene, botanical elegance to your space with its depiction of graceful green plants and delicate blossoms. Set against a softly textured, weathered beige background, the artwork evokes the feel of aged parchment or antique silk panels. The composition's gentle curves and muted tones create a calming presence, ideal for both traditional and transitional interiors.Framed and ready to hang, this piece adds a refined, nature-inspired touch to any room.Dimensions: W 52.25" x H 32.25"
