

Edgewood Mirror

Short Description: Blackened Iron

SKU: TER207

$1,950.00

Drawing inspiration from the living world this twig-like cast iron mirror creates the same sense of wonderment in a space. The rustic yet refined nod to nature frames a beveled glass mirror in an open form adding a polished quality to its organic structure. Versatile this piece works well in a variety of settings. Security cleat hanging hardware allows for horizontal or vertical display. Finish may vary.Dimensions: W 33 x D 2 x H 52
