

Asscher Vase

Short Description: Amber

SKU: BGW216A

$295.00

From its raw geometric shape to its vivid, gemlike color, the Asscher Vase is as striking as a rare and precious crystal. The fact that it’s been crafted by han d and not by nature is a true testament to the skills of our artisans. Two layers of glass, one clear and one pigmented, come together to create the rich, natur al-looking gradients of amber. A single stem flower provides the perfect finishing touch to this uniquely elegant accent piece.Dimensions: Dia 6" x H 14.5"
