

Green Obsidian Sculpture

Short Description: Large

SKU: PHI3003G-L

$665.00

Polished Obsidian Sculptures have a natural blue or green hue to them. This igneous rock occurs as a natural glass formed by the rapid co oling of viscous lava from volcanoes. Considered as a semiprecious stone, the Polished Obsidian Sculptures will be the perfect tabletop ac cessory to add to a bookshelf, mantel, or table. We offer these in various sizes in blue and green tones.Dimensions: W 10" x D 6" x H 12"
